

Operation Christmas Child

Operation Christmas Child is a program through Samaritan's Purse where shoebox gifts are collected and distributed throughout the world to needy children. Since its inception Operation Christmas Child has distributed more than 69 million shoebox gifts to children across the globe. This year, three HCHS students; Jacob Whitaker, Brent Roy and Danielle Middleton, led the Operation Christmas Child project with Mr. Greg Lewis' Honors English classes. They were responsible for the project from planning to implementing the project in each class. Because of their efforts, somewhere in the world a number of underprivileged children were able to feel the excitement and joy of opening a Christmas gift this year. We very proud of the work these three have done. It is a great project and they did an outstanding job running it. We hope to make next year's program even bigger and better than this year's successes.
