

## Honorable Mention Art Award

On March 10th Freshman Breanna Dunson won an **Honorable Mention Art Award** in the Morehead State University 2010 KAEA Burley/Coal Region All-State High School Art Exhibition and Competition. This was quite an accomplishment for this talented young artist. Nearly 1,000 students participated.

Attached is a picture of Breanna and her artwork *Rescue Me*. Breanna's drawing as well as those of several other very talented artists are on display in the center cabinet by the art studio so please stop by. Also, if you haven't got the chance to see Mr. Howards artwork yet- it is displayed on the 2nd floor mezzanine.
