

Harlan County High School Sports Participation Policy

EFFECTIVE JULY 1, 2008

This policy pertains to all sports and all student athletes, whether he/she is a freshman, junior varsity, or varsity team member at Harlan County High School.

Any student athlete, who is on the team roster for the first game of any sport's season, is a member of that sport's team. Should a team member be dismissed from the team, or voluntarily quits the team, he/she will not be eligible to participate in any other sport for a period of thirty days, **or** until the sport's season that he/she is terminated from ends, whichever comes first. If a student athlete is not on any sport's team roster for the first game of any sport's season, he/she is eligible to participate in any sport immediately.
