POLICY STATEMENT

An Academic Performance Committee shall be responsible for assessing, designing, monitoring, and evaluating the curriculum. The committee shall help ensure that the curriculum at HCHS meets state and local school board goals as described in the Kentucky Education Reform Act (KERA) and that technology is appropriately infused into the curriculum. The Efficiency Committee shall report to the SBDM Council according to District guidelines regarding the status of the implementation of the Comprehensive School Improvement Plan (CSIP) and other initiatives related to the curriculum.

The Efficiency Committee shall develop or update the CSIP to improve the curriculum. Priorities for the plan shall be supported by the results of the various assessments. The plan may cover a period of more than one year. The plan shall include items as required in the CSIP process (priority need, goals, benchmarks, and strategies).

The Efficiency Committee shall ensure that the plan is communicated to teachers and that a summary of the highlights of the plan is provided to parents. The Academic Performance Committee shall be responsible for reviewing new assessment data and recommending revisions to the CSIP.
