POLICY TOPIC DESCRIPTION

Selection of Extracurricular Programs and Determination of Policies
Relating to Student Participation

POLICY STATEMENT

Extracurricular Programs shall be based on the following criteria:

- The program complements the academic achievement of students.
- The program encourages students to develop self-confidence, self-esteem, and leadership skills.
- The program provides opportunities for students to participate in activities that encourage physical fitness, cooperation, and team building with adults and peers.
- The program provides the opportunity for students to interact socially in a positive manner with students within our school, other schools, and other districts.
- The program follows the participation guidelines as specified by HCPS activities/athletics/academic extracurricular activities and clubs rules and regulations.

By August 15 of each year, program sponsors will provide the SBDM Council with information on how their program(s) meet one or more of the above criteria and information on student participation in extracurricular programs.

By August 15 of each year, the SBDM Council will approve the extracurricular programs and their schedule for the following year.
