

CDL Days 2019-2020
Español 2-B (3rd Trimester)
Emmanuel Anama-Green, Ed.S.

Students in Spanish 2-B will be using Google Classroom for their COVID Distance Learning (CDL) days. As referenced in class before leaving for the CDL days, students will use the **same accounts** that they were using during their **third trimester classes**.

If a student does not have access to the Internet at home, Mr. Anama-Green can provide printed copies of the daily assignments and burned DVDs (or, recordings on a flash drive, etc.) of the recorded mini-lectures. Please email Mr. Anama-Green at emmanuel.anama@harlan.kyschools.us to request this accommodation. There may be a slight delay in providing these, as the assignments are uploaded daily, with recorded mini-lectures also added daily (or every couple of days).

If a student has Internet at home and has not yet registered for the assigned Google Classroom (i.e. home/hospital, transfer from a different school after the commencement of the CDL days, etc.), he/she should contact Mr. Anama-Green via email and he will be more than happy to assist with the appropriate class code, etc.

Thanks in advance for your diligent study efforts during these difficult times. We will get through these issues and become more resilient as we do so. ¡Sí, se puede!
