CDL Day 8

Pick 2 Questions and Answer each (50pts. Each)

Chapter 33

1. Compare and contrast the first two years of the New Deal with the later New Deal after 1934. Account for the differences.
2. List the major factors that brought a close to the New Deal in the late 1930s. Separate the list into those that President Roosevelt had some control over and those that he did not. Explain how the combination of these factors ended the New Deal.
3. Cite at least three New Deal programs that were clearly pre-World War I progressive-movement reforms reborn. Also, explain how government action during World War I itself can be viewed as a precursor to the New Deal.
4. What were the most enduring accomplishments of the New Deal?
