- This link takes you to IN TEXT citation and how to format it correctly. Remember: on purdue owl is everything you will ever want to know about a research paper. Look for it! 😊

The paper is due by Wed April 15th at 2:43 pm. You may send it to me thru email. Make sure during the next several weeks, if you have questions, please contact me. I will be sending you out a video every couple of days to discuss/mention something new about your paper. Please text me if you can because it is easier that way to send you the info.
