We are living through an unprecedented time in history and while we may be experiencing fears and concerns, we are also seeing things we've never seen. We will be writing a daily journal with your observations during this time.

3-30-2020 CDL Day 8 - Introduce yourself and what is going on in the world today. Write about who you are, your family, where you live, why you are not able to be in school - the impact of COVID 19 is having on you and your family. 1 page

3-31-2020 CDL Day 9 - Examine the media today. Write your thoughts and feelings regarding the panic the media may or may not be instigating. How do you feel after watching/listening to the news. 1 page

4-1-2020 CDL Day 10 - Consider what your home life normally looks like. With all that is happening regarding COVID 19, write your thoughts and feelings about how this has affected things in your home. What does your home life look like now, compared to pre-virus? What changes/adjustments have had to be made? 1 page

4-2-2020 CDL Day 11 - Describe your feelings about social distancing. Do you feel it is necessary? Is it helping delay the spread of the virus? Are you practicing social distancing or has your lifestyle remained the same? Write about your thoughts and feelings regarding this concept. 1 page

4-3-2020 CDL Day 12 - What things are happening around you today? Using the news/social media/conversations you have had with others, describe what things are happening in our nation, in our state, in our county, and in your own community. Consider what stores/businesses are doing, etc. 1 page
