

CDL Day Assignments – All Classes
(Hill, Stevens, Tolliver)

CDL Day Assignments: Study Island
Mrs. Hill – 6th Grade

Study Island is a program that we regularly in my class. Students know their login information and understand how the program works. There are lessons and sometimes videos available to help them refresh their memory on the topics before they complete the questions. These can be completed in “practice mode” or “game mode”.

I will be working at the school each day from 8:00-3:00. If you have any concerns/questions, please feel free to contact me.

I hope this break from school will allow everyone to avoid all illnesses and stay healthy. I will miss my students and look forward to seeing them when this passes.

My contact information:

Classroom	606-664-3444 ext. 2617
Cell	606-909-0960
Email	misty.hill@harlan.kyschools.us
