Meeting Minutes

Meeting Called to Order –

Ms. Fox discussed classes returning to in-person instruction for 4 days during the 3rd term and how that had increased interest in all classes. She reported 9 out of 10 seniors sat for the Web Administration EOP exam this spring.

Mr. Osborne brought up a discussion of class offerings and plans for the fall term. Ms. Fox reported that as of now, she hopes that the fall will bring even more normalcy to the classroom, allowing the advanced Web Page Class to create sites for our community again, utilizing the resources in the classroom such as cameras and drones.

Mrs. Rose ask if any new classes were being added. As of now, Computational Thinking will be added for the 2022-2023 school year. More information will be available regarding the class next spring.

Discussion of new technology being added this summer was also addressed. All classrooms, including CTE will be receiving new teacher workstations as well as new, more advanced Smartboards to replace the current ones.

Next meeting was discussed. A date will be set in the Fall of 2021 and shared with everyone.

After no further discussion meeting was adjourned at 2:20.
