

Agriculture Advisory Committee Meeting

December 16th, 2021

Agenda:

Roll Call: Jeremy Williams, Misty Fox, Rachel Rose, Karen Phillips, Justin Buck, Patricia Hamblin

Possible New Pathways:

- Developing new course material and unique pathway opportunities.
- Restructuring logical progression through curriculum map.

FFA Activities:

- Restructuring FFA Activities to keep students more involved.
- Reestablishing good SAE records for current and future students.
- Developing new community service projects.
- Beginning preparation for next set of contests.

Greenhouse:

- Preparing new orders for plant sale materials including: pots, seed, media...etc.
- Reevaluate previous orders to adjust sale totals to maximize profits
- Ideas for change to existing greenhouse functions and processes, especially during off season (winter).

Other:

- Partnering with TSA for future activities.
- Possible meeting with all CTE pathways and instructors to develop a shared idea for curriculum map progression and areas of struggle.
- Possible ideas for best uses of remaining Perkins fund.
- FFA Activity Updates and Ideas.
