**Meeting Minutes**

Meeting Called to Order –

Ms. Fox discussed classes returning to regular in-person session has been a nice change. Students are adjusting to being back in person.

Discussed new our Career and Technical Student Organization (CTSO), called Technology Student Association (TSA). TSA is a combination of Computer Science and Engineering students competing in Regional and State competitions in various STEM areas. Regional Conference is in March 2022 in Hazard, Kentucky. State Conference is in Lexington, Kentucky the end of April 2022.

Computational Thinking will be added in Fall 2022. As of now no other classes are scheduled to be added.

Mr. Buck recommended TSA and Agriculture partner for projects in the future. Also discussed all CTE pathways and instructors have a meeting to discuss areas of struggle and a shared progression map for certain areas.

Next meeting was discussed. A date will be set in the Spring of 2021 and shared with everyone.

After no further discussion meeting was adjourned at 3:45.
