Web Development/Administration

Date: Wednesday, May 25th, 2022
Time: 3:00pm

Present – Misty Fox, Rachel Rose, Justin Buck, Garrett Bolin
Absent – Kristen Lester, Cameron Lester, Anthony Nolan

Meeting Minutes

Meeting Called to Order –

Discussed new our Career and Technical Student Organization (CTSO), called Technology Student Association (TSA). The TSA Regional Conference was held in March 2022 in Hazard, Kentucky. Mrs. Rich took the students since Ms. Fox was on medical leave. Our students placed 1st and 3rd in Board Game Design and 3rd in Technology Bowl. The TSA State Conference was held in Lexington, Kentucky April 25th-27th. Students competed in various areas, constructing PVC kayaks for one competition out of PVC pipe, duct tape, zip ties and shrink wrap only. Our board game teams placed 5th and 7th out of 20 teams.

Computational Thinking will be added in Fall 2022. As of now no other classes are scheduled to be added. This summer classroom locations and instructors for CTE courses will be restructured. Digital Literacy is no longer a required course for freshman beginning in Fall 2022.

Mr. Buck again recommended TSA and Agriculture partner for projects in the future. Hopefully that is something that can begin in Fall 2022.

Next meeting was discussed. A date will be set in the Fall of 2022 and shared with everyone.

After no further discussion meeting was adjourned at 3:25.
