July 30 th	Teaching 3 rd and 4 th grade Gifted ELA through the Rural PLACE Literacy Units	CO	For the past year and a half, Harlan County Schools has partnered with University of Virginia and Virginia Tech as part of a US Department of Education national research project on Gifted Education in rural America. That partnership continues through the 2018-2019 school year. As part of the grant experience Harlan County Schools is required to implement two ELA units per year for 3 rd graders in 2017-2018 and 4 th graders in 2018-2019. Those units now belong to us and will become part of our district ELA curriculum for those grades. This workshop will show how the units can be differentiated to use with the whole class or in cluster groups for GT students. Any teacher who will be teaching 3 rd or 4 th grade is highly encouraged to attend this training. Please register with Jeanne.lee@harlan.kyschools.us 9:00-12:00

Various tools to build tests or present information to students while giving immediate results. Various programs and tools will be utilized and discussed for use in the classroom environment. Other tools in support of this programs will be covered as well. Please register with Mike.scott@harlan.kyschools.us 8:30-3:30

- * PD specific to overall district needs will also be scheduled on each flexible PD day in the calendar year
- * All schools should provide site specific PD that meets the needs identified in their staff members PGPs and in their SIP.

We urge everyone to take advantage of these summer PD opportunities especially our bus driver/teachers and coaches.

Additional professional development opportunities may be added in the coming weeks. All trainings must be approved by your immediate supervisor prior to your attendance. It is the participant's responsibility to see that your individual attendance sheets are returned to your home school for supervisor/principal approval and signatures.
