Unique Learning System is a one-of-a-kind solution designed specifically to help students with special learning needs master our state’s extended standards. From one convenient, cloud-based platform, educators deliver differentiated, standards-aligned content enhanced by powerful assessments, data tools, and evidence-based instructional support. Students from pre-K through transition have the advantage of consistent, high-quality instruction, a motivating interactive learning environment, engaging symbol support, and a path to independence. Please register with Jennifer Brock at <a href="mailto:Jennifer.brock@harlan.kyschools.us">Jennifer.brock@harlan.kyschools.us</a></p>
<p>July 18</p> <p>9:00-4:00</p> <p>6 Hours</p> <p>EILA</p>	<p>MTSS</p>	<p>HCBOE</p>	<p>MTSS is short for Multiple-Tiered System of Support. In Kentucky MTSS is defined as “a multi-level prevention system to support student achievement and social-emotional behavioral competencies through an integration of differentiated core instruction, assessment and intervention.” It is a framework that combines the academic components of RTI with the Social/Emotional needs of SEL by meeting the needs of the whole child. This training will cover the components of MTSS, the implications of MTSS at the school level and the legal requirements of MTSS including SB9. The training is most appropriate for grades K-8 but high</p>

			<p>school teachers are also welcome. Please make sure at least one representative from each K-8 school attends the training. Please register at <a href="mailto:jeanne.lee@harlan.kyschools.us">jeanne.lee@harlan.kyschools.us</a></p>
<p>July 20 9:00-12:00 3 Hours EILA</p>	<p>Gifted</p>	<p>HCBOE</p>	<p>According to Kentucky Statute 704 KAR 3:285, “personnel working with gifted students shall be prepared through appropriate professional development to address the individual needs, interests, and abilities of the students.” If you are a regular education teacher who has even one student identified as gifted or potentially gifted that applies to you. Every year we are required to conduct a program evaluation and we do that through surveys. According to this year’s surveys, 35% of teacher respondents think we do not adequately offer professional learning focused on gifted education and 34% percent believe teachers either do not participate or participate minimally. Our goal for the coming year is to increase participation in professional learning related to gifted and talented education. This workshop will review the requirements of regular education teachers serving the exceptional child who has been identified as gifted, provide resources for the identification of potentially</p>
