

Password Recovery

Password Recovery
for Coursesites

1. Go to <https://www.coursesites.com/> and click on login
2. You will be taken to the login screen and will see a link for 'Forgot Your Password?' which you will need to click on
3. The next screen will provide two options for password recovery. Note that your username can be found on the District NTI page located at <http://harlan.k12.ky.us/nti.html>. It will generally be hcps and then your first initial and last name ([hcpscreech](#), [hcpsdcapps](#), [hcpsmorris](#)) and precede .coursesites.com.
