

12/4/18

Dear Parent/Guardian,

As you may know, Harlan county high school was granted the privilege to have Nontraditional Teaching Instructional (NTI) day. This year I am trying something slightly different than last year. Your child will be issued two handouts at the start of every week which are considered their NTI assignment for that week. If no NTI day was called for the week those handouts will be converted to homework for the weekend.

The day of and NTI day:

Your child needs to email me ([ramon.cuellar@harlan.kyschools.us](mailto:ramon.cuellar@harlan.kyschools.us)) when they start the day assignment

Do the assignment for the day.

Save the assignment to be handed in to the instructor the next school day.

Thank you for your time.

In GOD we trust,

---

Ramon E. Cuellar
