Each student has been given a hard copy packet that includes all worksheets needed for the 10 NTI Days.

Basic Instructions:

- Each student must contact their Algebra I teacher when they begin their Algebra assignment each day via email or phone
- Complete each worksheet by showing all work and **circling the answer for each problem**
- Contacting your teacher via email or phone for any and all questions concerning the assignment
- Following each NTI Day, bring each NTI Day's Work to school for your teacher to check within 5 days of us returning to school

Days 1 and 2 - Worksheets: Expressions and Order of Operations

Days 3 and 4 - Worksheets: One and Two-Step Equations

Days 5 and 6 - Worksheets: Multi-Step Equations

Days 7 and 8 - Worksheets: One and Two-Step Inequalities

Days 9 and 10 - Worksheets: Multi-Step Inequalities
