

Cumberland Elementary has been raising money to help send their Proficient and Distinguished students on a trip to Dollywood. Classes throughout the building have been working hard to help reward these students on their terrific test scores from last year's C.A.T.S. test. At the recently held Fall Festival, the 2<sup>nd</sup> grade classes made a huge impact on the trip fund when they auctioned off a one of a kind handmade quilt. The quilt consisted of the hand prints of the entire second grade class beautifully quilted by second grade teacher Beth Terry. Demand for this priceless keepsake was high and the bidding quickly shot up until it reached the final price of four hundred dollars. The quilt, along with gift baskets and other items up for auction, helped contribute a huge sum towards the reward trip for Cumberland's Proficient and Distinguished students.
