

Black Mountain Students Complete "Get Active. Get Fit Challenge."

Black Mountain Elementary students (K-6) recently took part in the "Anthem Blue Cross and Blue Shield/Radio Disney Get Active. Get Fit Challenge", which promotes healthy, active life-styles. To complete the challenge, students had to be active physically for at least 20 minutes per day for 40 of 55 days. (Oct. 3-Nov. 26) P. E. time was counted but the students were responsible for bringing back parent confirmation of other physical activity. Students who completed the challenge were rewarded with certificates and a dance party. Kim Kelley was the teacher in charge of the activity. Below are the students who completed the challenge.

K-2 Students
