

Back to School Blowout

Free back packs and school supplies were given to students at Cumberland Elementary on August 8, 2011 at the "Back to School Blowout." The back packs were donated by Harlan ARH and a visiting mission team. The supplies were donated by local Tri-City churches and the United for Jesus Ministry. Children participated in various games led by Rhona Creech and handbells under the direction of Terri Jackson. Jonathan Monhollen was the guest speaker for the give away and a mission team from New Covenant Church in NC provided the musical entertainment. The event was coordinated by Cumberland Elementary FRYSC and CES 21st CCLC.
