

Buy A Brick! Honor A Miner!

Become a part of the Harlan County High School Coal Miners' Memorial Stadium FOREVER!

"We hope that you and your family will want to become part of something special to pay tribute to Harlan County Coal Miners' and Harlan County Coal that will last for many years."

Vitralase Engraved Brick-- with your tribute to a miner or show your support for Harlan County Coal!

Harlan County High School Coal Miners' Memorial Stadium Phase I Construction is currently underway. Show your support by honoring or memorializing your coal mining loved one or show your support for Harlan County Coal in general. The new stadium will feature a walkway with engraved brick pavers. In years to come you will be able to bring your children and grandchildren to the "Miners Walk" to see your family name as a permanent legacy of Harlan County Coal Miners' Memorial Stadium. These specially engraved, decorative bricks will be used to honor, memorialize and show support Harlan County Coal and our beloved coal miners. Everyone is invited to buy a brick (however many you want!) either for your self or for a loved one, or to honor Harlan County Coal in general. The proceeds from the sale of bricks go to the miners' memorial fund. Our goal is to raise enough money to place a plaque honoring "ALL Harlan County Coal Miners" and eventually have park benches, landscaping, etc. along the pathway.

Brick Details

The bricks are \$100 each, standard paver size, 4"X8"X2" and are engraved using state of the art laser technology. The engraving is filled with hardened glass that is not subject to chemicals, acid rain, infrared and ultraviolet rays or sunlight- these bricks are guaranteed for a lifetime.

In addition, you will receive a miniature replica of the original brick. This mini brick can be used as a paperweight, given to a loved one as a remembrance or just as an everyday reminder! The mini bricks are 1 ½ X 3 X 5/8 inches.
