

STRONGER BY DEGREES...

Working together to build a stronger community!

When you dream of your future, what kind of lifestyle do you desire? What are you willing to do in order to turn your dreams into realities? Statistics show that higher education not only offers higher salaries, but also a lower unemployment rate. Education is the key to obtaining financial stability.

Median Kentucky earnings by educational level for workers 25 or older employed full time; unemployment for workers 25 or older.
