

I would like to take this time to congratulate the following winners in the Spring on Cloverlick. Our art students represented our school well. I want to also acknowledge the very prestigious accomplishment of Tessa Evans who is the recipient of the Southeast Community College High School Art Scholarship. This is the 4th year that one of our own has been awarded this scholarship. She was up against some very stiff competition from Harlan City. HCHS also took away the Grand Champion Award-a status awarded to one school.
