

Attached are directions to Southwestern High School in Pulaski County where the Black Bears will challenge the Warriors Friday at 7:30 p.m. Please come out and support the Black Bears as they go for a back to back region championship.

**Southwestern High School, located at 1765 WTLO Road, Somerset.
It is recommended that you allow 2 hours and 20 minutes for this trip.**

Option 1

Recommended by Coach Larkey: There is another option that I will be taking. Cross 27 intersection at Somerset, go straight till you get to 914. Road comes to a T. Turn right to Bowling Green, or turn left to SWHS. It is the 2nd road to the right. WTLO Road. It is about 15 min faster than taking the first bypass you come to and going all the way around.

Option 2

FROM LONDON, Take EXIT 41/KY 80 West toward Somerset.
Turn left onto KY-80/Highway 80 W. Continue to follow KY-80 W about 34 miles.
Turn left onto KY-80 W/KY-914 E/Southeastern Bypass. Continue to follow KY-914 E/Southeastern Bypass to KY 914 East, which is just past KY-914 W
After turning left from 80 onto 914 stay on 914 until the stop light (about 2.5 miles) at Oak Hill Road (Shell station to the left on the hill).
Continue through the light ¼ of a mile and turn left onto WTLO Road
(GREEN SIGN INDICATING SOUTHWESTERN AND OAK HILL ELEMENTARY).
WTLO Road will run right into the school.

Option 3

FROM LONDON, Take EXIT 41 KY 80 West toward Somerset.
At the intersection of 27 and Hal Rogers Parkway, turn left onto 27 getting into the far right lane, then turn right at the first stop light onto old 80 (Burger King is on the corner) towards Nancy, Ky.
Travel to the first stop light at the 914 bypass and turn left onto the bypass.
(On 914 there are signs on the right side of the road giving directions to SWHS).
Turn right and proceed straight to the entrance of SWHS on the left.

Go Bears!! It's Great to be an HC Black Bear!!
