

JROTC recently participated in a Raider Meet

The Harlan County High School JROTC recently participated in a Raider Meet at Middlesboro High School's JROTC. Events performed were basketball, one rope bridge, ultimate soccer, tug-o-war and big ball.

Schools competing were Harlan County High, Thomas Walker, Corbin, Clay County, Whitley County and Campbell County.

The most difficult event of the day proved to be the one rope bridge. Command Sergeant Major Roy Day, the Raider team commander himself, showed outstanding leadership and poise.

During the land navigation portion of the one rope bridge, Sgt. Ben Brashears was instrumental in the first place trophy for the event.

The last event of the day was the tug-o-war event. A large group effort by the Raider Team's elite was put forth, with only true strength winning the event. The Black Bear Battalion won this event.

At the end of it all, Harlan County Black bear Battalion had won five awards, one for every event.

The trophies won were first place in basketball, one-rope bridge and tug-o-war; second place in big ball and third place in ultimate soccer.
