

Harlan County High School Photography Students were assigned to take pictures to celebrate the beauty of the rivers in their community. This project was a part of a photography contest held by Clean the Cumberland-Headwaters Hullabaloo organized by the Harlan County Paddle Sports Committee and sponsored by The Kentucky Waterways Alliance. The event was coordinated to generate efforts to clean up our rivers and prepare them for sporting events. Students beautifully captured images of rivers across Harlan County. Photographs are currently on display by the Art Studio at HCHS.

The following students placed in the contest:
