GEAR UP Club Service Project

The Harlan County High School GEAR UP Club recently participated in a service project at Christ's Hands to celebrate Global Youth Service Day. The service day is celebrated annually in more than 100 countries. The campaign, established in 1988 by Youth Service America, is to encourage youth to improve their communities through service. Christ's Hands serves hot meals daily, distributes food, clothing, and hygiene items to those in need.

Adia Watts and Baili Boggs built shelving to store hygiene items that will be distributed to the community.

Megan Barton and Emerson Johnson sorted toys and games to distribute to local children.
