

Kentucky Shakespeare recently visited Green Hills Elementary School where they performed “Twelfth Night” and held workshops for the students. “Twelfth Night” is Shakespeare’s comedy of mistaken identity, role reversal and unrequited love reveals the value of character, loyalty and truth. The students learned about Shakespeare’s life and his literary accomplishments. Students learned about why Shakespeare’s work has endured the test of time and remains relevant to this day. In addition, students participated in hands-on learning through several workshops that were conducted for all grade levels throughout the day. Students participated in Stage Combat, Acting Fundamentals, and our Kindergarten and 1st grade students participated in the Bard Buddies workshop where they acted out their own version of “Twelfth Night.”
