

Students from Cawood Elementary have been having some fun while learning with the help of Moby Max.

Moby Max is an online program provided by Gear Up where students can practice any core content materials. These students worked hard to earn raffle tickets for their progress and were selected as Moby Max winners.

Pictured from left to right, starting in the back row: Emma Williams, Ben Cochran, Cheyenne Rhymer, Alyssa Collins, Trevor Helton, Cheyenne Bryant, Adalynn Daniels, Eli Epperson, and Jasmine Caldwell.
