

Three Harlan County students were chosen for the Southern Kentucky Music Association (SKMA) Middle School All Festival Band. This band is made up of more than 100 students from Pulaski, Laurel, Bell, Whitley, McCreary and Knox County schools. Students chosen were then separated into two bands: Symphonic and Concert band. All students from Harlan County were selected to participate in the Concert Band.

Students traveled to Corbin Middle School during the day of April 18 to rehearse and practice. Upon completion of the day students presented a concert that evening to the public to demonstrate their ability and hard work.
