

Green Hills Elementary recently held some back-to-school activities including a visit with the Mission of Hope and Get Real Ministry.

Mission of Hope brought backpacks filled with school supplies for every student at GHES. Their program is an annual event and they are always welcome guests that go out of their way to help our students. Mission of Hope has a long history of service to Green Hills and are always there to provide support to our students and families.

Get Real Ministry brought every student a backpack that had school supplies in it along with some goodies for our students. Get Real Ministry always puts on a spirited program that gets our kids moving and interacting with their staff. It's always a good time with some folks who are dedicated to helping our students and families.
