Extracurricular activities are activities in which you participate in addition to your regular classroom work. These include school-sponsored clubs, organizations, associations, programs, and athletic teams. Please list your extracurricular activities below. Write the full name of any activity that has an acronym (i.e. write Student Technology Leadership Program instead of STLP). If you have a leadership position or role in any of these activities, please describe that role/position.

Community service is the foundation of who Rotarians are. Please list any community service events and experience you have participated in thus far.

Answer the following questions in depth using a minimum of 3-4 sentences.

1. What is your intended career and field of study at this time? Why did you choose this career path?
2. Why is your intended field of study important to your community? What role do you wish to play within your community in the future with this field of study?
3. What are you most passionate about?
4. Describe a person or event in your life that has helped shape you somehow.
5. Describe a situation in your life where you faced an obstacle or adversity and overcame it.
6. Tell me about a mistake you made in the past couple years and how you corrected this mistake. What did you learn from it?
7. Who has been a role model for you, and why?
8. Tell us the most meaningful, impacting experience you've had so far and how it changed you.
9. How have you made a potential impact on your community?
10. Tell us who you are. How would you best describe yourself? How would others describe you?

Please submit by email or to your counselor by April 29th.

No applications will be accepted after deadline.
