

Laci Deaton signs her commitment letter for participation in Kentucky's All-State Choir to be held in Louisville in February. Students from around the state auditioned in regional venues during October and those with the highest scores were chosen to participate. Several hundred of the top choral musicians in the state will combine in three choirs, an all boys, an all girls, and a mixed chorus. Laci, a senior at Harlan County High School, will be performing in the SSAA choir.
